

Federal Accessibility Legislation Regulations

Accessible Canada Regulations, SOR/2021-241

<https://www.canlii.org/en/ca/laws/regu/sor-2021-241/latest/sor-2021-241.html>

The above regulation sets out planning and procedures for the *Accessible Canada Act*, such as:

- Federally regulated organizations need to publish accessibility plans annually, provide opportunities for feedback, and provide progress reports annually.
- Setting out monetary penalties for organizations that do not comply with the Act, when the public files a complaint that is investigated and supported by the evidence.

Accessible Transportation Planning and Reporting Regulations, SOR/2021-243

<https://www.canlii.org/en/ca/laws/regu/sor-2021-243/latest/sor-2021-243.html>

The above regulation sets out planning and procedures for federally regulated **transportation** agencies or companies under the *Accessible Canada Act*, such as:

- Transportation agencies need to publish accessibility plans annually, provide opportunities for feedback, and provide progress reports annually.

Canadian Radio-television and Telecommunications Commission Accessibility Reporting Regulations, SOR/2021-160

<https://www.canlii.org/en/ca/laws/regu/sor-2021-160/latest/sor-2021-160.html>

The above regulation sets out planning and procedures for federally regulated **broadcasting or telecommunications** agencies or companies under the *Accessible Canada Act*, such as:

- Broadcasting or telecommunications agencies need to publish accessibility plans annually, provide opportunities for feedback, and provide progress reports annually.

Order Designating the Minister of State (Diversity, Inclusion and Persons with Disabilities) as the Minister for the Purposes of the Accessible Canada Act, SI/2023-72

<https://www.canlii.org/en/ca/laws/regu/si-2023-72/latest/si-2023-72.html>

The above regulation selects one of the Ministers of the Cabinet of the federal government as the Minister responsible for enforcing the *Accessible Canada Act*.
